E. SYSTEM UPDATING (for SAPU official use only)

Application has been updated on _____ and entered into the system.

C.I.T.E.S. Certificate No _____ Signature _____
 Name _____
 Designation _____

ALL APPLICATION MUST BE ACCOMPANIED WITH THE FOLLOWINGS:

- 1 Completed Application Form (SAPU/CA/R/1/2005)
- 2 Stuffing/Packing List
- 3 Copy of CDF.
- 4 Photo copy of export permit to export Ramin sawn timber.

REQUIREMENT

Inspection process will begin during the stuffing of containers and will conclude upon these containers being sealed and the seal number recorded.
Note : If seal is broken or changed, the CITES Certificate will become void and re-inspection will be required.

After Issuance of CITES Certificate

- Physical Inspection will be carried out to validate all information declared herewith. Should there be any discrepancies, the CITES Certificate issued will be immediately invalidated and all relevant parties/authorities including country of destination will be notified accordingly.
- Copy of Custom CDF Form to be submitted for conciliation and closure, before 24 hrs of vessel departure.
